THE ART OF INVESTING

Fund objective*

The Fund aims to deliver returns comparable with the MSCI World Index over a rolling 3-year period. There is no guarantee that this objective will be achieved over the indicated period, or any other period, and the capital value of the Fund is at risk. The Fund is actively managed using a quantitative investment strategy and seeks to enhance the returns of the MSCI World Index by modifying the holdings and the weights of the holdings of the MSCI World Index for additional return.

Deferred subscription charge - D Class only

The Fund is permitted to make a charge on the sale of Shares to an investor of 5 per cent of the amount subscribed. The amount of this charge is paid by the Fund at the time of the subscription and is deferred and amortised over a 5-year period. Shareholders of Share Class D see the cost of this charge reflected in a decreased Net Asset Value price of Share Class D.

Should an investor redeem before the 5-year period has elapsed, the Fund is permitted to deduct the remainder of the Deferred Subscription Charge from the redemption proceeds for the benefit of the relevant Fund. The remaining charge will be calculated on a first in, first out basis and pro-rata dependent upon the number of Shares redeemed.

Charges will be applied to the redemption proceeds as below:

- | | |
|---|-----------|
| • Within one year of initial subscription | 5% |
| • Between 1 & 2 years of initial subscription | 4% |
| • Between 2 & 3 years of initial subscription | 3% |
| • Between 3 & 4 years of initial subscription | 2% |
| • Between 4 & 5 years of initial subscription | 1% |
| • After 5 years of initial subscription | No charge |

At the end of the month following the five-year anniversary of the original subscription, once the initial charge is repaid in full to the Fund, any remaining shareholding will be automatically converted to Share Class A.

Please refer to the Deferred Subscription Charge section of the prospectus for further details.
