

# Curate Global Sustainable Equity Fund

Factsheet | Sep 2024 | A Class GBP

## Risk profile

## Appropriate term: 7+ years

## Fund objective\*

The Fund aims to deliver returns comparable with the MSCI World Index over a rolling 3-year period. There is no guarantee that this objective will be achieved over the indicated period, or any other period, and the capital value of the Fund is at risk. The Fund is actively managed using a quantitative investment strategy and seeks to enhance the returns of the MSCI World Index by modifying the holdings and the weights of the holdings of the MSCI World Index for additional return.

## Investor profile

The Fund is ideally suited to investors with an investment horizon of 7 years or longer.

## Fund related risks

- The value of the underlying funds and the income generated from them can go down as well as up, and is not guaranteed. Investors may not get back the original amount invested.
- The value of investments involving exposure to foreign currencies can be affected by currency exchange rate fluctuations.
- Past performance is not a guide to future performance.
