

Harmony Asian Balanced Fund (Class E)

28 February 2025

This is a marketing communication for professional advisors only

Investment objective*

The portfolio will be biased to investments in markets of developed Asian and emerging Asian countries, but could also hold investments outside these countries.

The portfolio aims to provide a balance between capital preservation and capital growth with a reduced level of volatility, via strategic exposures to a wide range of asset classes.

Manager commentary

Important Information - All data sourced from Momentum Global Investment Management, J.P. Morgan SE - Luxembourg Branch, Morningstar, Bloomberg Finance L.P. Allocations subject to change. *There can be no assurance that the Fund will achieve its investment objective. Please refer to the Prospectus for full details of the Fund, its charges, the investment objective and investment policy. **Peer group median comprises two components: 1) between inception date and 30.06.24, the median return of the composite (i) global peers and (ii) local peers, in the ratio 1:2. This weighting methodology is consistent with the "normal" asset allocation of the Fund, with a two-thirds bias towards "home" country assets and currencies; 2) between 01.07.24 to present, following the Strategic Asset Allocation changes, the median return of Morningstar EAA Asia Allocation. Past performance is not a guide to future performance. Performance is calculated on a total return basis, net of all fees.
