

# Harmony Global Balanced Fund (Class H)

31 January 2025

This is a marketing communication for professional advisors only

## Investment objective\*

The portfolio will be biased to investments in the United States, but could also hold investments outside this country.

The portfolio aims to provide a balance between capital preservation and capital growth in US dollars with a reduced level of volatility, via strategic exposures to a wide range of asset classes.

## Lead portfolio managers

Andrew Hardy  
Director of Investment
