

Harmony Sterling Growth Fund (Class E)

31 January 2025

This is a marketing communication for professional advisors only

Investment objective*

The portfolio will be biased to investments in the United Kingdom, but could also hold investments outside this country.

The portfolio aims to provide capital growth in sterling terms but with a reduced level of volatility, via strategic exposures to a wide range of asset classes.

Manager commentary

» No changes were made to the portfolio's asset allocation and manager selection.
