## Investment Style/Strategy

The portfolio is built using a core/satellite approach. The core is made up of a multi-asset, multi-manager fund that has a Balanced growth & defensive asset allocation and risk/return target. The satellite holdings will add either some further growth or defensive allocations depending on the risk profile as well as an allocation to absolute return strategies

## Suitability

The portfolio is designed for investors who...

- Seek some capital growth through a balance of both growth & defensive assets
- Seek diversification across asset classes and specialist fund managers
- Seek capital growth with reduced drawdown risk via "liquid alternative" strategies
