Investment Style/Strategy

The portfolio is built using a core/satellite approach. The core is made up of a multi-asset, multi-manager fund that has a Balanced growth & defensive asset allocation and risk/return target. The satellite holdings will add either some further growth or defensive allocations depending on the risk profile as well as an allocation to absolute return strategies

Suitability

The portfolio is designed for investors who...

- Seek some capital growth through a balance of both growth & defensive assets
- Seek diversification across asset classes and specialist fund managers
- Seek some capital growth with downside protection via "all weather" strategies
