Investment Style/Strategy
The portfolio is built using a core/satellite approach. The core is made up of a multi-asset, multi-manager fund that has a balanced (capital growth & income/yield) risk & return target. The satellite holdings will add either some further growth or defensive allocations depending on the risk profile as well as an allocation to absolute return strategies

Suitability
The portfolio is designed for investors who…
- Seek exposure to mostly income producing assets with some capital growth
- Seek diversification across asset classes and specialist fund managers
- Seek some capital growth with downside protection via "all weather" strategies
